About This Game

After the apocalypse, life continues in a world full of mutants, warbots, and **REAL** bloodsports drawing vicious audiences. You are a gladiator battling to escape this prison arena for the amusement and admiration of the bloodthirsty crowd. Your key to freedom? Win over viewers with crazy combos, earning strands of the **Mutation Virus**. Slaughtering with style generates the carnage needed to **Go Viral**.

Gone Viral is an over-the-top, randomly generated action melee/shooter with heavy roguelike elements, coming to **Early Access soon**. Unlock scores of mutations and weapons that fundamentally change your gameplay, doubling down on unique synergies and combinations of powers for a deep and deadly rogue-lite experience.

- Pinball Combat: Weaponize your enemies by walloping 'em into other combatants and deathtraps to REALLY get fans excited. Is it a shooter or a melee game if you're using bad guys as projectiles?
- Kill with Skill: Crazy combos earn the carnage your unhinged viewers love. They'll send you creatively deadly weapons, oddball gadgets, and strands of the Mutation Virus.
- Go Viral: Mutations alter you and your attacks in fundamental, combinatorial ways. Every arena run and every near-inevitable death can be a unique experience.

Put the **MUTATE** in **MUTILATE** and the **GORY** in **GLORY!**
